EASLEY APPOINTS PITTMAN TO COASTAL RESOURCES COMMISSION

RALEIGH – Gov. Mike Easley appointed **Larry Paul Pittman, Sr.** of Morehead City to serve on the North Carolina Coastal Resources Commission.

Pittman has been the owner of Port City Motors in Morehead City for more than 20 years. He has served as chairman of the Newport Developmental Center and chairman of the advisory board for East Carteret High School located in Beaufort. Pittman is a member of the Carteret County Crossroads and the BPO Elks Lodge. He will now serve on the Coastal Resources Commission as the sports fishing representative.

The 15-member commission sets policies and guidelines for development, natural-resource protection and land-use planning in the 20 coastal counties and enforces the Coastal Area Management Act (CAMA). The Governor appoints all 15 members, 12 of whom must have experience in specific coastal or local government issues, and three who serve in at-large seats. Members serve four-year terms.
